Welcome to Ashish Marble

Indore's Trusted Name for 21 Years

Our Story

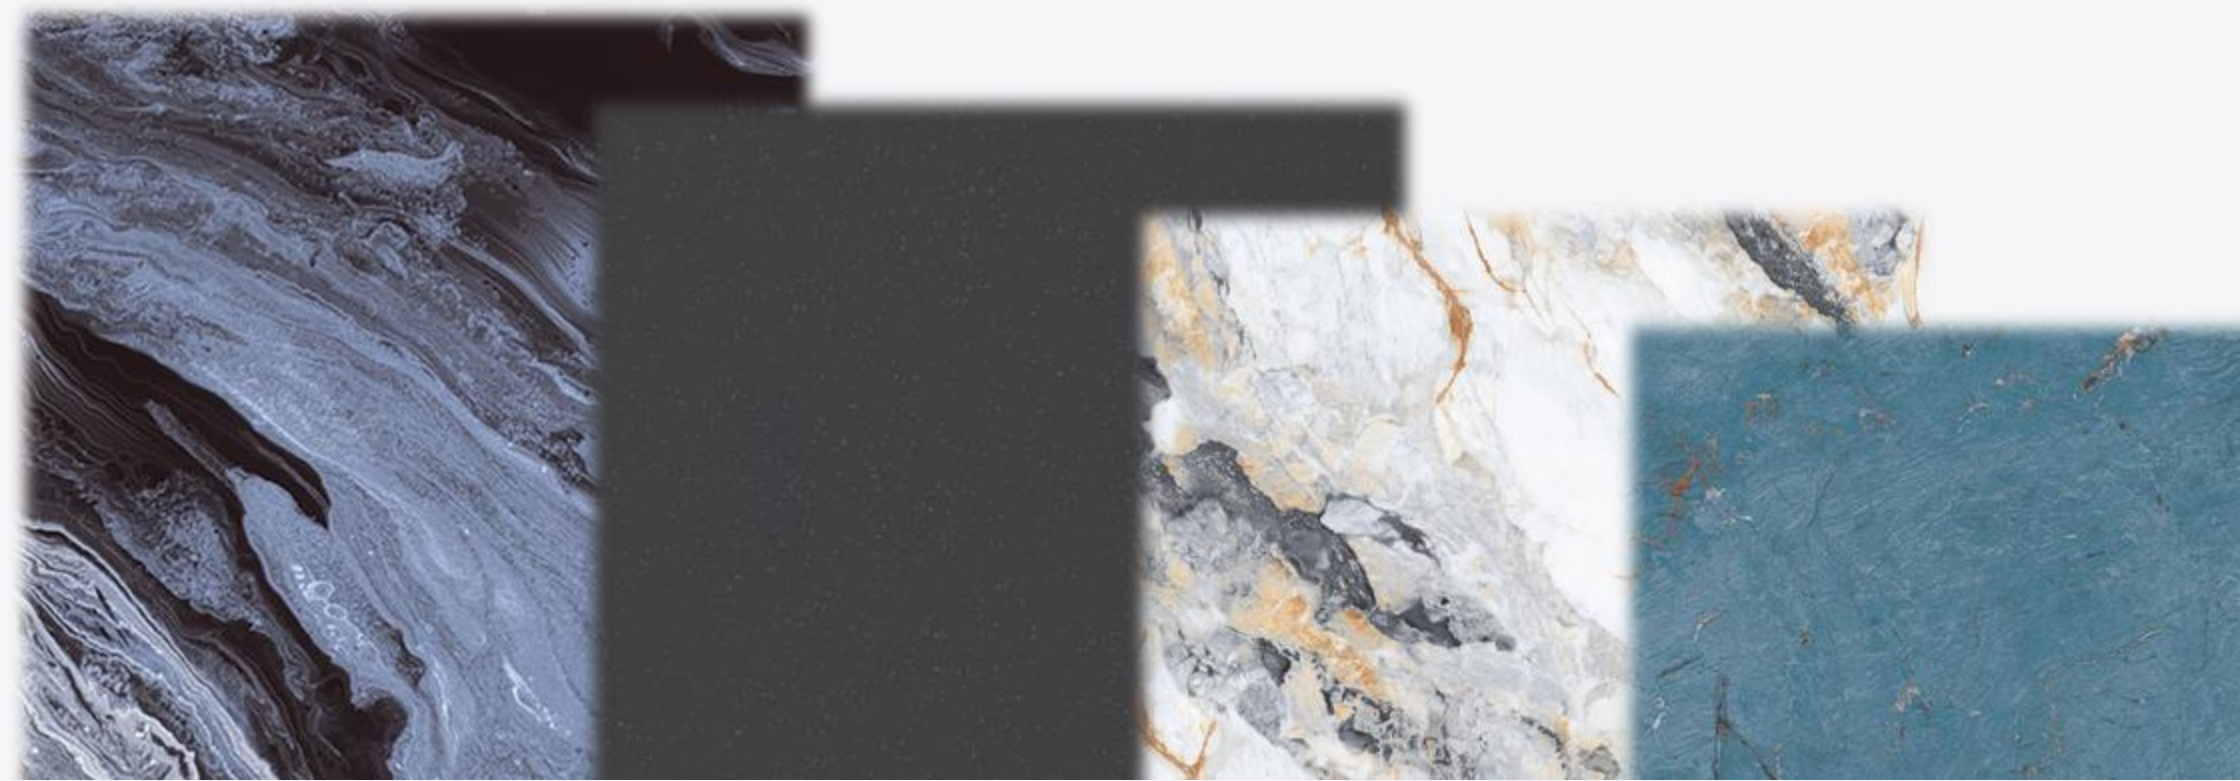

It all started 40 years ago in Kishangarh, Rajasthan – the heartland of India’s finest stone. **Govind Ji Biyani**, a man with vision and dedication, laid the foundation of Ashish Marble. From those early days, the legacy has only grown stronger. His sons, **Rakesh Biyani** and **Anil Biyani**, brought that same passion to Indore, where we’ve been proudly serving for the last 21 years.

“Because for us, marble isn’t just a product – it’s our family tradition.”
